

PARAGLIDING ABOVE OHRID LAKE

Take the opportunity to get a bird's eye view over the azure water of Lake Ohrid as we catch thermals flying over the spectacular countryside and Galichica National Park. Paragliding, with its unforgettable adrenalin rush, is an experience not soon forgotten.

Once landed, we enjoy lunch and relax at Ostrovo restaurant located on southeast side of Lake Ohrid on one of the two islands in the springs of Crn Drim. It is near the monastery of St. Naum Ohridski and surrounded by some of the loveliest nature in the wider region of Ohrid.
