Ice Climbing on Matanuska Glacier

Description:

Let Great Land Adventures introduce you to the wonderful world of glacial ice climbing. No experience necessary! Just a two hour drive from Anchorage, the Matanuska Glacier is Alaska's largest road accessible glacier. An easy walk from the glacier access park takes you to beautiful ice cliffs and crevasses that are perfectly suited for ice climbing. The views and photo opportunities are spectacular. We use a guide to client ratio of 1:4 to ensure that each guest gets a personal experience. This is a once in a lifetime Alaskan adventure! Great Land Adventures provides all climbing gear including boots, crampons, helmets, ice axe, rope and hardware.
